- Gateway (S5/6) tie available from school.

Uniform and Appearance J1-S6

The wearing of uniform and pupils' appearance are very important matters. Pupils carry the reputation of Cedars School wherever they go in uniform and therefore the uniform must always be worn appropriately and with dignity. School uniform also serves to protect young people from the demands of fashion and ensures a level playing field of uniformity, identity and belonging. These principles underpin our school uniform philosophy and the following additional details and clarifications.

1. Pupils should wear formal uniform when not on a trip or at PE, which includes their blazers all year round.
2. Shirts must be worn tucked in. Top button and tie must be done up.
3. Items in the colours or style of any professional football team are not allowed.
4. Leggings or running tights of any material should not be worn during the school day for lessons or trips. They can be worn during PE coaching or sports sessions.
5. Shoes should be black, plain and formal. A velcro closure is acceptable on formal shoes. **Note: black trainers are not part of the formal uniform.**
6. Hats and gloves are acceptable in cold weather but these should not be of a novelty appearance. Baseball caps should not be worn.
7. Pupils should not wear loose jewellery to school, except for religious reasons.
8. Hair should be in single natural colour (eg. not dip-dye or Ombré). Long hair should be tied back/braided in situations where safety is a concern (e.g. science labs, PE, trips).
9. Please mark items of clothing and belongings with the owner's name.
10. Headphones may be used in class only with the permission of the teacher and must not be worn around the school as an accessory, either on the ears or around the neck.
11. Exceptions to school uniform policy will be considered for pupils with diagnosed sensory difficulties and can be discussed with the Head Teacher
